Mission Statement

To provide the highest quality and effective client consulting service built on honesty, loyalty, and integrity. Our goal is to improve individual companies through development of people, operations, and processes.

Values

At SCM Global Associates, LLC our values live within our associates. We work hard to ensure our customers experience these values throughout every engagement.

- Excellence — We continually strive to raise the bar and perform quality work.
- Partnering — We work as a team to benefit the client and match the firms' resources to client needs.
- Passion — We are passionate about delivering top value to our clients.
- Ethics — We emphasize honesty, fairness and deep respect for the rules governing our profession.
- Optimism — We look for opportunity in every problem by clarifying goals and focusing on solutions.
- Learning — We strive to constantly expand our knowledge and skills to keep pace with industry needs.

Objective

SCM Global Associates, LLC is committed to work diligently to achieve the highest quality outcome on all assignments and work expeditiously to complete all projects on time or in less time to minimize cost and/or fees to our clients.

International Alliance.

We provide services to all manufacturing textile and apparel located within the United States and abroad.

SCM Global Associates, LLC has also International Alliance. We have strategically allied with an international consulting firm to offer a breadth and depth of consulting specialties that equal those of our firm.

The strategic alliance was formed to combined services and talent to provide world-wide clients with:

- Global reach of highly competitive services
- Broader array of supply chain management consulting services
- Faster and more responsive than large consulting firms
- Multi-national/multi-lingual coverage
- Superior value for the investment placed by our customer.

Let us provide you with the necessary expertise to join the gap in your global supply chain
